### REPORT FOR GENDER SENSITIZATION PROGRAMME - 5.08.2022

Department of MBA organized Gender sensitization programme for girl students of III Year Engineering departments and female faculty members on the topic “Gender sensitization – Issues and challenges” by Dr N.Manimekalai Director and Head Women Studies Department Bharathidasan University Kajamalai campus Tiruchirappalli .

Dr D.Srinivasan Principal KRCE Felicitated the gathering and Dr R.Kamaraj Controller of the Examination presided the seminar along with department faculty members.

80 Girls participated in the seminar in which resource person enhanced basic knowledge of Gender sensitization and gave various challenges in which still openings for women is limited or restricted such as Politics, late night travel, Dress code, climbing tress. Inspite she also made a clarity to the concept Gender and SEX. Students were actively participated and resource person enhanced number of case studies to illustrate the gender discrimination with statistical data.

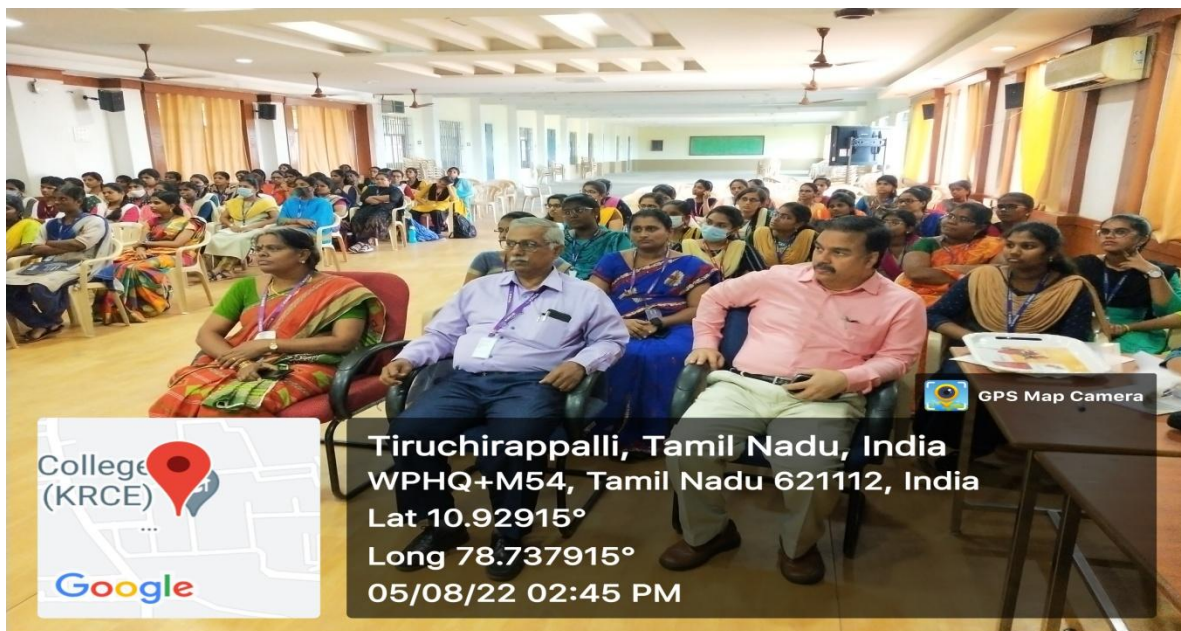

Gender sensitization made us to extend the awareness among the Gender to bridge the gap between Gender equality and equity.
