2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

An academic calendar serves as a planner for a semester that is planned at the beginning of each semester by the concerned in-charge taking in reference of the Anna University academic schedule. The number of working days in the academic calendar is correlated to the regulations (UG/ PG regulations - 2020 Autonomous). The academic calendar is verified with the COE and then approved by the Principal. The approved academic calendar is circulated to each department so this enables them to plan their department events accordingly. It is updated and revised with respect to any changes suggested by the university. The Academic calendar is displayed on notice boards and is communicated to students. All classes, examinations and other related activities are planned in adherence to the academic calendar however it is liable to change in due course because of various unforeseen events.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The college maintains its own significance in conducting examinations and publishing results.

IT integration has helped in modernizing the entire examination process and has speeded up its functioning.

KRCE has Conducted Nov- Dec 2020 end semester exams in online mode on AMCAT, designed by SHL Technologies.

Recently, the institution has installed software called CAMU which helps to maintain the accuracy of evaluation process effectively.

The salient features of CAMU are as follows:

1. It is used to know the whole academic data and profile of the students in a click.
2. There is a provision to define the subjects for staff.
3. Registration preview and the fee details of the students can be taken at anytime with full updation.
4. Hall ticket and dummy numbers can also be generated automatically.
5. The software can generate both internal and external marks on the basis of the given conditional.
6. Students can access the software to know their results and also to apply for the revaluation by using their separate user id and password.
7. Students are given 5 marks for their assignments and 5 for their

attendance. Students may know their history of arrears in a click at anywhere and anytime.
