- NATIONAL ANTHEM** : By college coir

## Report:

The IEEE student branch in association with Research and Development cell organized two day Hands-on training on "LaTeX for Technical and Research writing" on 13<sup>th</sup> and 14<sup>th</sup> October 2022. The event was started with prayer song and followed by felicitation address by Dr. D. Srinivasan, Principal, K. Ramakrishnan College of Engineering, Trichy. The resource person for hands-on training was Ms. Shuprajhaa Thayumanavan, Senior Research Fellow, National Institute of Technology, Tiruchirappalli. On first day Basics and importance of LaTeX software was explained and followed by hands-on session on usage of Latex software was explained in the Laboratory. On second day tutorials were given for the participants to practice the software and Reference Management Software "Mendeley" was explained to the participants. The two day sessions was very informative and interactive and hands on training was conducted on LaTeX and Mendeley software's and faculty members are well versed in writing a research paper using LaTeX software. Nearly 30 faculty members of K. Ramakrishnan College of Engineering benefitted through this two day training and they gathered knowledge in preparing research paper using LaTeX software. The event was coordinated by Dr. K. Dhayalini, IEEE Student Branch Counselor and Dr. C. Jeyalakshmi, Head - Research and Development.
