**Subject: Implementation of Absolute Grading System – Reg.**

It is hereby informed to all students that, with the approval of the competent authority, the College has decided to adopt the **Absolute Grading System** in place of the **Relative Grading System** for the assessment and declaration of examination results with effect from the Academic Year Nov/Dec 2025.

Under the Absolute Grading System, grades will be awarded based on the marks secured by the students against the predefined grade boundaries, irrespective of the performance of other students in the course. This uniform evaluation method consists of the norms to be followed for the award of marks for internal and end semester examinations of all types of courses, passing requirements, absolute grading and award of letter grades and classification of degree.

The grade ranges to be adopted are as follows:

Marks Range	Grade	Grade Point
91 – 100	S (Outstanding)	10
81 – 90	A+ (Excellent)	9
71 – 80	A (Very Good)	8
66 – 70	B+ (Good)	7
61 – 65	B (Above Average)	6.5
56 – 60	C+ (Average)	6
50 – 55	C(Satisfactory)	5
Below 50	U (Re- appearance)	0

All students are advised to take note of the above change and plan their academic activities accordingly.

For any clarification, students may contact the Office of the Controller of Examinations.
