JAN - DEC 2024

ORGANIZATION

Dr. K. RAMAKRISHNAN
CHAIRMAN

I am delighted to announce that the upcoming issue of KRCEXPRESS will showcase several remarkable achievements of our institution. These milestones mark a significant step forward in KRCE's continuous pursuit of excellence. Your hard work, dedication, and unwavering commitment have played a vital role in these accomplishments. I sincerely appreciate your valuable contributions and consistent efforts. Together, we are shaping a future filled with promise and progress. I look forward to your continued support and collaboration as we strive to reach even greater heights

Dr. S. KUPPUSAMY
EXECUTIVE DIRECTOR

KRCE continues to thrive as a dynamic center of academic and co-curricular excellence, regularly organizing conferences, symposiums, workshops, guest lectures, and cultural events. These initiatives reflect the active involvement and dedication of our faculty members, whose consistent efforts strengthen the academic culture of our institution. As we look ahead, I am confident that KRCE will continue to advance in academics while upholding strong moral values and setting higher standards of excellence. With an unwavering commitment to quality education, our college is well positioned to reach greater heights and achieve lasting success.

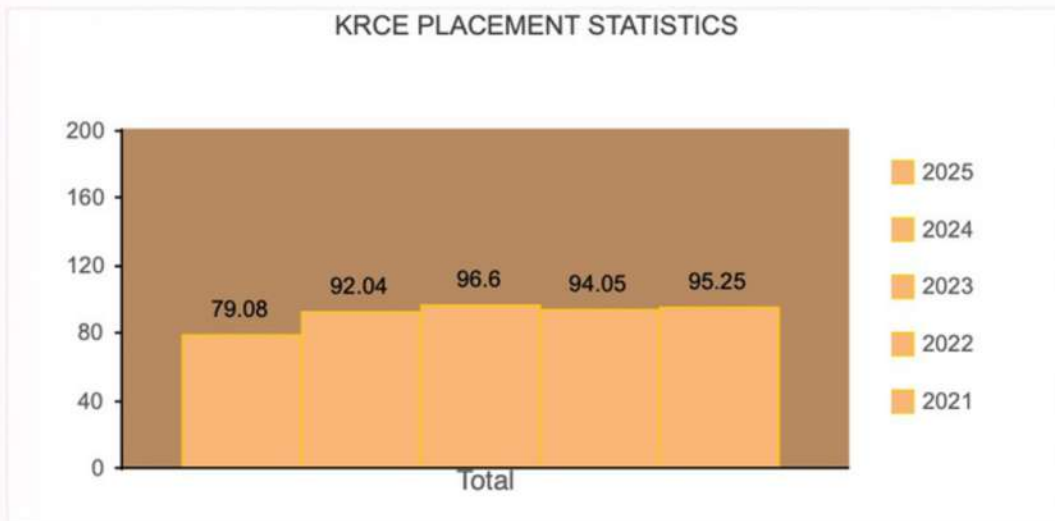

Dr. D. SRINIVASAN
PRINCIPAL

At KRCE, academic excellence and social responsibility form the foundation of our mission. We take pride in our steady progress in teaching, research, and innovation, continuously striving to create meaningful impact in society. By embracing change and strengthening the trust of our stakeholders, we have built a culture that values quality and growth. KRCE stands strong in academics, research, ICT integration, extracurricular achievements, and overall student development, while also providing ample opportunities for professional advancement. With innovative teaching practices and a forward-thinking approach, we aspire to remain a leader in higher education and a catalyst for positive transformation
